

NO TO 5G

1. The negative impact of today will be *much* bigger (incl climate).

- Disturbing immune system + metabolic and neurological functions. Damage to eyes, skin and sperm. Increased risk of cancer, depression and dementia.
- Birds and bees (insects extra, if 5G). →
- Trees and plants. *Scan QR code* →

2. Signals almost everywhere. (3D-exposure)

3. Violations: Not tested for safety. Violates/brakes several

international conventions + EU Resolution 1815 + national laws.
